How Old is Cryptocurrency Academy!

Starting off as a WhatsApp group in 2017, Cryptocurrency Academy has grown to be a go-to place for web3, blockchain, and crypto education in Kenya as they witnessed the true potential of blockchain technology making them optimistically deliberate on catalyzing the process of transitioning talent and businesses into Web3 for individuals and businesses.

Purpose Of Partnership

The purpose of this partnership is to create mutual relationships to drive and foster blockchain mass adoption through specialized education to interested individuals and businesses. We have experienced pain points in our learners being able to access mentorship to transition into web3.

Merging Our Goals

Cryptocurrency Academy aims at driving blockchain resources to people in Africa through nurturing talent and transitioning it into web3.

Secret Africa partnership will help drive blockchain inclusion within Africa by providing necessary resources. (Advice, Human Resource, Financial Resources, and Access to The Secret Agency)

Why We Partner!

Access To Kenya's Grass root Connectivity

Cryptocurrency Academy will train and onboard talent and businesses on grassroots levels and onboard them into web3 where Secret will absorb these trained talents and businesses to reach their optimum potential.

Build Grassroot Networks In Kenya through events, P2P, B2B, education and University Relations.

Trained interhsip will be onboarded into Secret Agency.

Onboard Trained Talent Into Secret Network

A team to orient and introduce how secret Network works to our team and trainees.

Provide blockchain development resources and train our human resources on blockchain development on the secret Blockchain Network and internally absorb them into Secret agency and Secret University.

Onboard Businesses Into Secret Network

Provide financial support to attain our goal of spreading mass adoption of cryptocurrencies and blockchain-based products by providing convenient educational learning tools to instructors, businesses, and individuals and generating Leads to Secret.

Access To Secret Network Ecosystem

Cryptocurrency academy will have access to Secret Network and Secret Agency, access to Secret Job Board, events and opportunities for full time employment to our interns.

Financial Support

Provide financial support to attain our goal of spreading mass adoption of cryptocurrencies and blockchain-based products by providing convenient educational learning tools to instructors, businesses, and individuals.

How Will The Resources Be Used?

The resources will be used to subsidize or waver incurred expenses during the transition program by Cryptocurrency Academy and Crypto N Fun.

CAREER MODULES CRYPTOCURRENCY ACADEMY PROVIDE

Below is their current and ongoing career development kits, secret can choose any course module of their liking to fund and accelerate and absorb talents created.
