

July 2023 Aligned Delegate Compensation

This forum post is the official record of Aligned Delegate compensation for July 2023.

Changes for July

Following the passage of MIP102c2-SP8 there has been a reduction in the number of Prime Delegates and Reserve Delegates to 5 in each category. This is the first month this is taking effect as the 1 month grace period has now passed.

As the total payment amount is fixed in The Atlas, this means that Prime Delegates may now earn up to 41.67 ($3,000,000 * 1/12 * 1/5 * 1/1200$

) MKR per month, and Reserve Delegates up to 13.89 ($1,000,000 * 1/12 * 1/5 * 1/1200$

) MKR per month.

AD Buffer Updates

The following table displays the payment amounts to each delegate for this month and their AD Buffer status at the end of the month. Note that while the implementation is manual, Max AD Buffer size will be scaled based on the amount of time they have spent as PD/RD for the month, e.g. if someone has spent the entire month as a PD, their max buffer size will be equal to the max PD payout, if they've spent 10 days as a PD, their max buffer size will be pro-rated to (10 / n) * buffer size

, where n = number of days in the month. There are potential griefing attacks if this method is not used.
