

We are pleased to announce our newest member of the SNF Team: Jillian Godsil. Jillian comes to us from over three decades in FinTech and 7 years in web3. She has most recently been writing for CoinTelegraph and CoinDesk, and most notably has been apart of the European Web3 speaker circuit, keynoting several events. She's also been named in the 2022 Top 100 Women of the Future, Shortlisted as Most Inspirational Woman in Blockchain, and a Finalist in the 2021 CityAm awards.

Her work has also been featured in Al Jazeera, Russia Today, BBC2 Newsnight, UK Telegraph, RTE, TV3, Huffington Post, New York Times The Irish Times, Vogue Italia and the Irish Independent.

Please join me in welcoming this prolific talent to our team! She'll be joining in upcoming discussions around our position in media coverage, speaking opportunities and more, so keep an eye out!
