Country of Residence: Hong Kong

Educational Background:

Nasdaq Listed Company Director. Ticker: TROO

Cert-IV in Science, Engineering, Computing and Maths by University of Technology SYDNEY.

Professional Background and Relevant Experience:

Fintech, Financial solution is our core business in the Nasdaq company as a director.

Implementation of use of \$APE as an experiment in various F&Bs and franchises including software and hardware.

NFTLAB magazine established and proven readerships

Relationships with Government, Public companies and private companies.

Reliable work team support for the executions of Apefest HK 2023 and Elite Moca cruise.

Nomination Statement:

"Imagination is Everything, Community First." has always been my motto. As a proud BAYC owner, combining the journey and experience for the past two years. Would like to extend this to the web2 and web3 space, and let ApeCoin be the ultimate and shines.

Motivation, Vision & Goals:

I believe in the Networking Effect. Seeing BAYC / MAYC taking lead and unites other web3 communities together, to spread the awareness and education of ApeCoin DAO.

Values & Commitment:

I have been involved with ApeCoin DAO since the airdrop of \$APE and understanding the importance of delegation in which we once were the largest delegating group with over 800k \$APE back in 2 years ago. I truly dedicate my time and effort towards my working group and share all my necessary resources towards ApeCoin DAO.

Concluding Statement:

I believe I am a suitable candidate for the special council position due to my proven track record and passion in ApeCoin DAO. I have humbly played a role in spreading web3 culture through successful events like Apefest HK and the elite Moca cruise.

I am comfortable and willing to engage with both global institutions and local community members, demonstrating my ability to bridge different stakeholders. My genuine desire to create great experiences for the community, coupled with my efforts to spread ApeCoin awareness, are strengths I would bring to this position.

While I am proud of my global collaborations, I aim to serve the community with humility. I have the experience, connections, and passion to effectively represent myself as a special council member.
