

## Token Utilities

1. Stake in the [DAO Staking Pool](#)
2. to get more ZF (5% ZF Total Supply). No stake fee, auto-compound, no lock, but 1% unstake fee distributed to other stakers still in the pool to encourage the platform loyalty.
3. Staked ZF holders get BOOST
4. in our [Swap2Earn](#)
5. incentive (refer to [this](#)
6. and [zkswap.finance/swapboard](#)
7. )
8. Enjoy special [Syrup Pools](#)
9. (such as our recent Syrup Pool for staked ZF holders to celebrate the success of the DAO formation)
10. Benefit from our Buying Back program (75% platform profit)
11. Participate in [Governance](#)
12. (Snapshot vote, only staked ZF holders can vote)
13. Higher Privileges during special events (NFT, OAT, POAP, Giveaway, ...)
14. And more ...
