

Shade Grants

In February 2022, Shade Protocol announced Shade Grants alongside raising 5 million in private funding. The core Shade Protocol team oversees Shade Grants. All grants are designated in [SHD](#) to support:

1. Growth initiatives for Silk adoption
2. Shade Protocol integrations
3. Community initiatives
4. User Tooling
- 5.

All Shade Grants aim to improve core metrics of the Shade Protocol: revenue, TVL, accessibility, and availability. Applications are open to Secret Network developers and community members through the [Shade Grants Github page](#).
