

Reposting this from [Commonwealth](#)

On November 3, 2022, dYdX Foundation published [A Take on the dYdX DAO's Near Future](#)

.

The dYdX Foundation released this blog post to provide a potential short-term roadmap for the dYdX DAO, so the dYdX community may discuss, iterate on a plan, and take the necessary steps to be prepared for the Mainnet launch of dYdX V4 and beyond. This thread is meant for the dYdX community to openly provide feedback and discuss the blog post.

We will be re-posting some constructive comments from the community, and hope the discussions can continue here. Thank you!
