

I wanted to represent and imagine, in this drawing, all the apes ready to dominate the rest of the world. In other words, the ApeCoin ecosystem ready to take over all the other ecosystems. Because that's what the future holds. We build together through constant innovation. It's only a matter of time.

I also add my sketch, I always find it interesting to see where a drawing begins

I hope you enjoy it, or at least appreciate the effort put into it !
