

Dear Community,

I am writing to formally announce my resignation from my position as DAO Secretary, effective on March 31st, 2024. This decision was not made lightly, but after careful consideration I have decided it is time for me to pursue new challenges and opportunities.

It has been an honor to serve the community as both a WG0 Steward and then DAO Secretary. I want thank the community and specifically the Governance Stewards for giving me the opportunity to do so. I have learned a lot in these roles, both personally and professionally.

It has been remarkable to witness how far the DAO has come the past year. Community members have taken on the Forum Facilitator role and three Working Groups have formed with another on the way. In addition, an ApeChain solution and Formula 1 partnership were recently approved by the community.

While I am stepping down from my official role, I will of course remain an active member of the community and help contribute where I can. Thank you for your understanding and please reach out if you have any questions.

Sincerely,

Vulkan
