Explanation

- Purpose of ApeCoin DAO

The DAO's purpose is to fund grants that help ApeCoin DAO achieve its potential of becoming the coin of metaverse culture and blockchain gaming.

- Goals of ApeCoin DAO

The goals of ApeCoin DAO should be to take the necessary steps for ApeCoin to become the coin of metaverse culture and blockchain gaming.

These should include efforts to ensure that ApeCoin grows as a cultural force, partnerships with companies and brands that

want to build a presence in web3, and integrations into blockchain/web3 games, where ape can be used as in-game currency.

- Sense of direction for ApeCoin DAO

The mission statement I've proposed takes the complex vision stated by the ApeCoin founders on the ApeCoin website, and synthesizes it into a simple, single sentence, capturing ApeCoin's potential.

- Common set of objectives for the ApeCoin DAO

With a simple mission statement that concisely captures ApeCoin's potential, the DAO will have more consensus on the objectives we need to achieve so that ApeCoin's can meet its potential.

These should include milestones relating to cultural relevance, metaverse presence, and web3/blockchain gaming integrations.

- Sense of direction for ApeCoin DAO

ApeCoin will be the token that powers the future of web3.

- Common set of objectives for the ApeCoin DAO

advance and innovate technologies and experiences.

Taxonomy

Instead of trying to reinvent the wheel, I leaned heavily into translating the DAO's existing vision statement into a clear and actionable mission statement.

Vision Statement

Culture has found new expression in web3 through art, gaming, entertainment, and events. The possibilities for blockchain's impact on culture are so endless that they can't possibly all be predicted yet. APE is a token made to support what's next, controlled and built on by the community. It will serve as a decentralized protocol layer for community-led initiatives that drive culture forward into the metaverse.

Mission Statement

ApeCoin will be the token that powers

- It will serve as a decentralized protocol layer – Powered by ApeCoin

the future of web3.

- APE is a token made to support what's next

We support community-led initiatives

- We are a grants DAO, supporting our community through grants is our main purpose
- Highlighting inclusivity, our grant process is open to anyone with 1 \$APE

. Korean

ApeCoin DAO는 커뮤니티 아이디어를 촉진하고 \$APE 문화를 확장하는 장소입니다. 이곳은 메타버스의 화폐로서 \$APE의 비전을 공유하는 빌더, 아티스트, 그리고 홀더들을 위한 안식처입니다, 우리 모두가 함께 건설하고 있는 것입니다.

Explanation

- Purpose of ApeCoin DAO

Building opportunities, tools and products around \$APE as a currency.

- Goals of ApeCoin DAO

The DAO sees \$APE as a currency equivalent to stable coins, a currency that will be the primary currency across virtual worlds, not just Otherside. Creating a culture so strong that it is used as a primary token cross-community and platforms.

- Sense of direction for ApeCoin DAO

Any author who shares the same goals as the DAO is welcome to put together ideas that can help the DAO achieve this goal. Apecoin DAO exists to deploy funds and provide necessary grants to individuals and teams who are building tools and products for and around the token.

- Common set of objectives for the ApeCoin DAO

ApeCoin DAO can be seen as a development DAO, turning various ideas into reality. We've funded ideas varying from giving licenses of the ApeCoin logo to creating eco-friendly rugs to prizes in Hackathon; anything that helps expand the \$APE to the general audience and beyond.

9. Korean

실세계와 메타버스에서 web3 문화를 활성화시키는 창작자와 커뮤니티를 연결하고 강화한다.

Explanation

- Purpose of ApeCoin DAO

To connect and empower builders, whether through grants or other means such as working groups.

- Goals of ApeCoin DAO

To help bring web3 culture to life in both the real world and the metaverse.

- Sense of direction for ApeCoin DAO

The first verb, “to connect,” gives the DAO a clear first direction - to identify and bring together great builders. Every subsequent word of the mission statement - just like everything else we do at the DAO - can only be secondary to that initial, most-important direction.

- Common set of objectives for the ApeCoin DAO

The DAO is not here to instruct, assign, or prescribe, only to connect and empower. The mission statement also reminds us that - while we most often meet and communicate in the metaverse - IRL culture and connections are the glue that binds APE community together.

Explanation

- Purpose of ApeCoin DAO

To naturally drive global use of ApeCoin by empowering and fostering an inclusive, innovative, and transparent community, both virtually and in the physical world through innovative grants.

- Goals of ApeCoin DAO

To foster a community that can freely and creatively explore, create and drive web3 culture through innovative ideas that will naturally propel the widespread adoption of ApeCoin by innovators, creators, artists, gamers & dreamers. In addition, to maintain transparency in funding, operations, and create a foundation that will outlive us all.

- Sense of direction for ApeCoin DAO
- To build a global community that feels empowered and is actively involved in exploring the potential to ideate, innovate, & create with ApeCoin in mind, both in the Meta and IRL.
- To promote inclusivity, innovation, and transparency, while maintaining a decentralized governance structure that

ensures equitable participation.

- Advance through long-term sustainability and the ability to adapt and endure for maximum impact in web3 culture and beyond.
- Common set of objectives for the ApeCoin DAO

This mission statement establishes its focus of empowering community, equitably enabling creative exploration, and transparently funding innovative initiatives through ApeCoin DAO's foundation grants that will naturally drive interest and active utilization of ApeCoin because of the value it provides. It aims to continuously adapt in order to consider the future possibilities of technology, building and innovating with equity and sustainability in mind.
