

I am opening the AIP idea to discuss about the development of LOTM and OtherSide for PlayStation 5 and possibly PlayStation VR2. I don't know if it has been discussed already but I haven't seen any discussion around this topic.

I usually play games on PS5 which lead me to this idea. Happy to speak more in detail.

Cheers.

Proposals submitted to the AIP Ideas category can be vague, incomplete ideas. Topics submitted here are not required to be submitted as a formal AIP Draft Template, however, you may still use the [template](#) if you wish.
