

Testnet Faucets

⚠️ Note: Testnet tokens have no monetary value nor any relation to mainnet tokens.

List of testnet faucets

- Campfire testnet: <https://faucet.luminara.icu> (opens in a new tab)

Usage Note

Since [fees are paid by implicit accounts](#), it is recommended to source NAM to one of these accounts as the first step. Afterwards, using the `--gas-payer` flag, you can specify the address of the implicit account to pay for the transaction.
