

We will be hosting Lido Node Operator Community Call #1

next week on 2022-11-22T13:00:00Z

Event links will be posted shortly.

Agenda:

1. Ethereum Block Proposer Rewards Policy & Relays Discussion
2. Automation team presents: Ethereum-validators-monitoring
3. Open Discussion / Q&A

Discord Event: [NOM Community Call](#)

We're anticipating doing these on an approximately monthly basis and moving times around to accommodate audiences and participants from around the globe. Please share your thoughts if there are topics you would like us to cover in the future.
