

SushiSwap Incentives

After speaking with Jiro from Sushi we have agreed in principle for the incentives program to cover:

\$250,000 worth of payouts for a term of (x) Payouts are in FOLD

These are launch incentives, not payouts for rebates. Rebate payouts are in xSushi still.

Tomorrow we will have a timeline of how long these incentives are to be paid out (e.g. 4 weeks).

Voting

We will vote once we have a timeline provided to us by sushiswap (next few days).
