

What a great contest this has been!

The competition is tough and it is an honor to be amongst the best rated so far.

No matter what the outcome will be, I will create an AIP soon to push the idea of having an ApeCoin mascot forward.

Thank you everyone for your support! I'm looking forward to discussing the topic further

Edit: I'M ONE OF THE WINNERS!!!

Now I'm even more confident and excited to create an AIP for Apekin and make it official
