

"provided " a pair in the pool But had someone distracting me & I have create a "pair" that I did not mean.

Again did not check the green " transaction window" . Just a right royal stuff up of \$10k.

Have found the transaction & all that I can see is my address has "interacted with secret -bnb-bsc

<https://secretnodes.com/secret/chains/secret-4/contracts/secret1tact8rxxrvynk4pwukydnle4l0pdmj0sq9j9d5>

How do I find my funds & get them back to secretswap?

Please can someone help

Cheers Michael
