

Hello everyone,

The GMX grants committee wants to inform you that the window to submit a proposal for Wave 2 of the GMX Grants Program will close on Monday, June 24th, at 8 am UTC. This marks the conclusion of another successful grants program phase, featuring some excellent initiatives to grow the GMX and Arbitrum DeFi ecosystem.

During this Wave 2, we've seen remarkable enthusiasm and creativity from our close community and beyond. The response has been amazing. The proposals received have showcased innovative approaches to enhancing liquidity, developing advanced trading strategies, and expanding the ecosystem's capabilities. Each submission has contributed to GMX's vision, aligning with our mission to drive innovation in the GMX ecosystem.

As we continue to evaluate the submissions and select the next wave of impactful projects to help fund, we want to extend our heartfelt gratitude to everyone who participated. Your dedication, experimentation, and commitment to GMX are invaluable, and we are excited about the future collaborations and developments that lie ahead.

Stay tuned as we announce the selected grant recipients and continue our journey to expand and foster the GMX and Arbitrum ecosystem.
