

Now the Apecoin DAO is in the stage of progress.

We have more active voters, more people got onboarded.

Its time to get all the card on the table and make it more welcoming, encourage people and empower them to help others actively with opportunities, refresh the DAO this way.

Cost: Zero Apecoin

Secure the opening positions for ones who were not elected by removing the reelection for time periods as such:

- Councils: Can not be reelected for 2 years for the same position or 1 year for any other position at the Apecoin DAO.

-Secretary: No reelection for 6 month any position, secretary position for 1 year

-All other Apecoin payed jobs: No reelection for 6 month for the same position or 3 month for any other position.

Positions update: No one can hold more then 1 payed job at Apecoin DAO, this way we avoid centralisation & will bring more needed focus/attention/or/and more dedication into hired/elected people jobs (also a benefit)

Benefits:

- encouraging people for full time or part time participation & payed for their work
- learning of other positions opportunities in depth
- actually DECENTRALISE the opportunities with work in the DAO
- make people trusting more into election process, knowing that they will have an actual chance versus the major token holders voting for ones they knew for a while & trusted their work at that time
- empower people to participate in all elections
- Councils will not reapply while in "power" or using "Apecoin" channels/pages for self-promotion
- empower people to apply for jobs and bring their different expertise
- Reduce AIP times

-Bring the dedicated focus into each hired position

- Give opportunity to others
- shows the welcoming DAO & expands possibilities of different views
- avoid expected perspectives & be more open to the new ideas
- possibility for more experts participation

Symbolic additional cost for AIP creator for time spent: 169 \$Apecoin

Time to execute: 4 weeks 2 days 0 Hours, weekends & holidays included.

Lets be real & present if the health and life let us) Lets welcome more people participation in large.
