

Community Feedback on RetroPGF2

This thread is to collect feedback on [Optimism's Retroactive Public Goods Funding round 2](#).

This RetroPGF round will be one of many! We're hoping to learn and iterate quickly to improve our process and become more confident and informed in our decision.

Community feedback is key to helping the process improve with each round

. We welcome your notes, reflections, and feedback at any step.

Please be constructive and clear in your feedback, so we can learn together and summon Ether's Phoenix!
