

This forum thread is here to confirm the output of Composable AVC for the third quarter of 2023.

The documents for discussion can be found in these two forum threads:

[Composable AVC Q3 Aligned Scope Proposals](#) [Composable AVC

]/(c/avcs/composable-avc/87)

Q3 Aligned Scope Proposals - Composable AVC [Composable AVC](#) focuses on making sure as much of the output of DAO operations can be reused as possible. We want to make information accessible, and sharing easy. Founded by jokecouncil members, we're a neutral AVC with a penchant for efficiency. Governance Scope (MIP 113) 3.2: Guideline for Aligned Scope Proposal Submissions 3.2.1 To ensure informed decision making and alignment with the Atlas and AVC Positioning Documents, the following guidance is d...

[Composable AVC Q3 Aligned Governance Strategy](#) [Composable AVC

]/(c/avcs/composable-avc/87)

Q3'23 Aligned Governance Strategy - Composable AVC [Composable AVC](#) focuses on making sure as much of the output of DAO operations can be reused as possible. We want to make information accessible, and improvements compounding. Founded by jokecouncil members, we're a neutral AVC with a penchant for efficiency. General Composable AVC philosophy This section is meant as a philosophical basis for ADs to understand what Composable AVC is about. It is meant to facilitate alignment to its strategy from...
