

Hi to all Taiko members

here i have a question about Airdrop allocation

i did many tasks on Galax and on partner platforms like blazepay

and here is my TXs

,

[Address undefined | Taiko Katla Testnet](#)

,

and on galax i have about 520 point

also i did completed many Quest on Intract site

in GitHub i have 1 fork from taiko.

but my airdrop allocatiion is ZERO 0

why? :(

at least 1 point! not 0!

it isn't fair !
