

Steadefi Grant Bi-Weekly Update

Date:

24th January 2024

I. Executive Summary:

a) Roadmap Progress

- Tracking of liquidity has started
- Announcement made
- Development of tracking for dashboards in progress

b) Milestone/KPI Achievements

- TVL to Steadefi has increased by 25%

c) Dune Dashboards

- WIP

II. Current Progress:

We have just kickstarted the tracking of lending liquidity which opens up the capacity for leveraged strategy liquidity deposits to GM pools. Announcements of the program are made from our X account as well as Discord announcements, and some KOLs have been engaged to distribute the announcements.

III. Community Engagement:

- Decent awareness on our X post and increased engagement on our Discord

IV. Partnerships and Collaborations:

- Some KOLs engaged
