

Implementation on UX of the [apecoin.com](https://apecoin.com) page and all links, including this forum:

- Make available BRIGHT mode selection inside USER settings

or SWITCH button on top of the page

- add SPEACH button for every AIP so it can be available for all kind of the devises right away ,

friendly for people with disabilities or temporal restriction due to treatment/injury/etc,

helpful for everyone that has to do some tasks,

folks with time restrain that can not be on the screen reading all implementations or proposals (example: driving stuck in traffic, getting kids somewhere, taking care of themselves/ets)

- separate Implementation AIPs into different Topic /column , so they don't get lost/buried

COST: ZERO #Apecoin

**Thank you.**

Proposals submitted to the AIP Ideas category can be vague, incomplete ideas. Topics submitted here are not required to be submitted as a formal AIP Draft Template, however, you may still use the [template](#) if you wish.
