

dYdX Foundation is excited to share the dYdX 2023 Semi-Annual Ecosystem Report

Despite the prolonged bear market, the Foundation has demonstrated an unwavering commitment towards building the future of finance and expanding the dYdX protocol ecosystem!

The Ecosystem Report highlights:

About dYdX Foundation

\$DYDX Token

Governance

dYdX DAO

dYdX Chain

International Go-to-Market and Community

Among plenty more topics.

We thank various contributors for their engaged participation and involvement in the ecosystem, and we thank the community for their continued support and involvement in shaping the future of dYdX
