

PROPOSAL NAME:

ApeCoin DAO multi-year partnership with Redacted, a Formula One Team

PROPOSAL CATEGORY:

Brand Decision

TEAM DESCRIPTION:

The APE Foundation is facilitating an AIP on behalf of [redacted], a Formula One (F1) racing team ("Redacted"). Due to confidentiality undertakings at this stage, we are unable to disclose the name of Redacted until after the voting period has finished and the grant agreement has been executed.

Redacted finished in the Top 6 of the 2023 Constructor Standings.

ABSTRACT:

The APE Foundation has been approached by a team with a strong history competing in Formula One. We are thrilled to present this proposal for a potential groundbreaking multi-year partnership between ApeCoin DAO and Redacted, an F1 racing team.

TACTICAL CONSIDERATIONS

To bring results against the objectives above, Redacted was sure to consider the following criteria and directions in building out its recommendations.

- Identify opportunities to integrate ApeCoin to the greater team motorsport network through structured events and programming.
- Amplify ApeCoin brand presence throughout Redacted branding assets to enhance ApeCoin credibility in the web3 environment.
- Offer enhanced hospitality and high-end VIP experiences & unique experiences to this partnership that can both replace and augment ApeCoin DAO's current initiatives.
- Propose compelling use cases showcasing ApeCoin solutions into our web3 ecosystem.

KEY BENEFITS SUMMARY

Below, please find a brief outline of the foundational activations that will drive results against ApeCoin's objectives. Redacted's full recommendation, including detailed description of the ideas below, will follow.

- Web3 developments and our commitment to provide access for ApeCoin DAO to exclusive integration throughout the full Redacted ecosystem.
- Bespoke racetrack events that underscore and emphasize ApeCoin offering to customer settings.
- Bespoke platform that can be used to add value to new and current ApeCoin DAO members reinforcing ApeCoin's position as the leading culture token in the world.

Specific WEB3 operations to unleash with ApeCoin

ApeCoin shall be integrated in Redacted's WEB3 strategy and explore new projects boosting ApeCoin/ApeChain development. There are numerous ways in which Redacted can activate ApeCoin IP and fanbase following to drive attention and use cases for ApeCoin and ApeChain. Below is a list of non-exhaustive ideas to be explored over the year of the partnership.

- Limited Edition Redacted x ApeCoin merchandise with or without wearable in-game digital twins, purchasable in ApeCoin
- Limited Edition ApeCoin wrapped Redacted team cars with or without drivable in-game digital twins, purchasable in ApeCoin
- NFT traits, badges, liveries and accessories purchasable in ApeCoin to complement Redacted team collections
- Loyalty activations within Redacted's network for buyers or holders of ApeCoin
- Loyalty activations with Redacted for engagement with the ApeCoin ecosystem (e.g. socials, newsletter sign-ups, AIP voting, proof of event attendance)
- Avatar crossover activations between Bored Apes and Redacted avatars on Redacted's web3 platform.
- Gaming and metaverse activations produced in partnership with ApeCoin DAO and Redacted's other gaming partners.
- Creation of Redacted themed collections, locations, ships or storylines within Otherside, Dookie Dash and/or other Yuga Labs gaming offerings – gated or purchasable with ApeCoin.
- Release of limited edition NFTs on ApeChain.
- ApeCoin DAO will be able to leverage Redacted drivers to share educational videos on how ApeCoin offers utilities to holders.
- ApeCoin DAO will have priority as Community Coin Partner to be engaged in new web3 projects and to be used as a payment system for specific Redacted projects.
- Redacted will endeavor to create opportunities within the development of digital collectibles to amplify ApeCoin brand

visibility amongst Redacted's growing fan community.

Redacted x ApeCoin driver uniform special edition

Redacted should develop with its official apparel partner a special one race jersey edition worn by Redacted drivers during Grand Prix weekend. This edition will be available for sales exclusively to ApeCoin holders. The design will see ApeCoin having a prominent branding presence on the stomach.

KEY TERMS:

F1: Formula One

Redacted: A Formula One racing team

Designation (Non-Exclusive): Team Partner

Designation (Exclusive): Community Coin Partner

Intellectual Property: Use of all Redacted marks, footage, images, and logos for approved promotional purposes subject to individual team guidelines.

PLATFORMS & TECHNOLOGIES:

Redacted WEB3 Platform/Ecosystem: a bespoke platform for ApeCoin. To be developed and revealed as part of the partner reveal.

ApeChain : The ApeCoin DAO approved ApeChain.

STEPS TO IMPLEMENT & TIMELINE:

The APE Foundation will work with Redacted to execute its grant agreement. Upon execution of the agreement, the name of Redacted will be revealed.

The APE Foundation will work closely with Redacted for the entire implementation of the program while soliciting feedback from the ApeCoin community on ways we can optimize the experience for the DAO. The APE Foundation will oversee custody of the F1 experience tickets/merch/benefits, but the intention is for the APE Foundation and Redacted to develop a framework for distribution to be proposed to the ApeCoin community. The purchase of additional tickets (if any) would be done via an AIP.

The expectation is that granular details surrounding the implementation of the partnership will need to be determined. The APE Foundation will communicate with the ApeCoin community regarding the next steps of this process.

OVERALL COST:

Amount requested from the ApeCoin Ecosystem Fund = €5,125,000 total over the first two years proposed

Year-One payment schedule:

- 40% €1,000,000.00, upon approval of the AIP and the execution of the grant agreement
- 30% €750,000.00, April 2024
- 30% €750,000.00, June 2024

Year-Two payment schedule:

- €1,050,000.00, February 2025
- €787,500.00, April 2025
- €787,500.00, June 2025

ApeCoin DAO retains the option to renew the partnership for a third year, following the payment schedule above, with a 5% escalator. The DAO may choose to exercise this option with a follow up AIP.
