

Proposal Name:

Appreciation for @zachxbt

Proposal Category:

Good Will & Appreciation

Abstract:

In an industry that's unfortunately no stranger to scams and rugs, @zachxbt has done an unbelievable amount for our space. Especially for us— here's a recent incident where he helped out an Ape ([tweet](#)).

@zachxbt

's reputation precedes him. He calls out bad actors, ruggy projects, and helps advance this space forward. Much of his work can be found on his well-known [Twitter account](#).

Here are also some articles he's published on Mirror:

- [Gone phishing for \\$5m](#) (November 1, 2022)
- [Tracking down Discord & Twitter phishing scammers](#) (September 1, 2022)
- [Canadian Teen SIM Swaps for \\$37m \[...\]](#) (August 24, 2022)
- [Scammers In Paris](#) (August 8, 2022)

Additionally, a centralized look of his work in calling out bad actors can be found at [investigations.notion.site](#).

All of what @zachxbt

does is for free- [hundreds of hours go](#) into his findings and reports.

While @zachxbt

appreciates donations he never has asked for money [and never will](#).

He's been acknowledged by @[beeple](#) and also has a similar [NounsDAO proposal](#) championing his work. I think we should follow suit and give @zachxbt

some \$APE as a show of appreciation for what he brings to our space.

Motivation & Rationale:

We want more people like @zachxbt

in this space. Does this mean that we should make donations to everyone? No— but I think many would agree that we should recognize the GOAT and all of the good that @zachxbt

continuously brings to this space.
