Country of Residence: England

Educational Background:

I hold three degrees with a strong focus on Mathematics: a First Class Honours in Mathematics, a Master's in Mathematics, and a degree in Education. My academic journey has imbued me with a rigorous analytical and problem-solving mindset, crucial for navigating the complexities of blockchain technology, community & governance.

Professional Background and Relevant Experience:

Currently, as the Head of Tokenomics at Animoca Brands, I lead a team of 10 in developing innovative ecosystem designs which include governance, growth, tokenomics, gamification, incentive and monetisation strategies etc.

I founded this department three years ago, instilling a culture of inclusivity and collaboration. Previously, I served nearly a decade as a high school teacher, focusing on behaviour management and curriculum planning, which honed my leadership and pedagogical skills. My comprehensive experience in tokenomics and DAO structures, from strategy and mechanism design to community engagement, positions me well to contribute effectively to the ApeCoin DAO.

Nomination Statement:

I am eager to serve as a Special Council member for ApeCoin DAO because of my extensive background in DAO governance, Tokenomics, and Ecosystem development. Having been involved with ApeCoin before its Token Generation Event (TGE), I possess a deep understanding of the community's foundations and the different aspects required to propel its vision forward. My experience at Animoca Brands as Head of Tokenomics, combined with my work on various DAO structures, equips me with a unique set of skills and insights that are well-suited to this role.

Motivation, Vision & Goals:

My motivation to join the ApeCoin DAO Special Council stems from a commitment to leverage my expertise to enhance community involvement and optimize the DAO. I envision a DAO where community engagement is maximized through improved governance mechanisms.

My Goal is to Make Ape Great Again, as we continue on this journey of iteration and improvement.

My Vision is an ecosystem where the core contributors and wider community have aligned interests, approach each AIP with the right mindset and are open to collaborating with other like minded builders.

Together we can!

Values & Commitment:

My core values of inclusivity, teamwork, and a growth mindset align closely with the ethos of the ApeCoin community. I am committed to dedicating the time and effort to serve actively and productively within the DAO. My leadership style, which emphasizes collective success and strategic growth, will contribute to fostering a supportive and innovative community.

Concluding Statement:

With a robust background in Tokenomics, DAO governance, and Problem solving, coupled with a proven track record of leadership and innovation in the blockchain space, I am uniquely qualified for the Special Council role within ApeCoin DAO. My commitment to promoting ApeCoin and driving its success is unwavering, and I am enthusiastic about the opportunity to bring this vision and my values to this vital role, championing ApeCoin's cause globally.
