

Gm everyone! Wanted to give you all an update on our accepted AIP-112.

It's a custom designed ApeCoin themed card deck that is free to claim for anyone holding 50+ \$APE in their wallet. Each suit represents a different community featuring some of your fave Apes, Mutants, Meebs, and Punks. We couldn't be more excited about who we've involved in this project and can't wait for everyone to get their hands on these.

We have completed our first claim (or Wave as we call it) and are going live for Wave 2 tomorrow at 9am PST / 12pm PST. There will be two more Waves after this (4 in total) to claim to make sure we are fair to all timezones.

Wanted to drop a note here to make sure everyone within our community gets a fair shot to claim, details are below!

- 1. Must have 50+ \$APE in wallet to claim (at no cost), verified via tokenproof.
- 2. Shipping will be flat rate in \$APE based on your location.
- 3. We're currently in production, and shipping is set to begin in the next couple weeks (mid-late March).

The claim will live on our website, [www.foreverapes.io](http://www.foreverapes.io)

Be sure to follow along on Twitter to see all of the art sneak peaks and updates.
