

Create a legal, nonprofit, registered DAO entity in the USA to serve the ApeCoin DAO just like Cartan. We can call it Ape DAO Global Service, as a DAO service provider!

[\[DRAFT\] APE Foundation - Cartan Group Transition Plan for January 1, 2023](#)[General

]/(c/general/14)

I would suggest we create a legal, nonprofit, registered DAO entity in the USA to serve the ApeCoin DAO just like Cartan. We can call it Ape DAO Global Service, as a DAO service provider! It just happened that I helped my company accomplish that in Texas, and I can certainly share that expertise with ApeCoin DAO. P.S. Parent company is registered in Cayman Islands as well, because we are in the crypto industry.
