

To Whom It May Concern-

I write to notify Lido DAO that it has been named as a Defendant in the lawsuit Samuels v. Lido DAO, et al., docketed as No. 23-cv-6492 in the U.S. District Court for the Northern District of California. While Lido DAO has already been served c/o of AH Capital Management, LLC, and we have also attempted to contact Lido DAO's identified general counsel via at least two other methods of communication, we provide this posting to provide additional, legally valid notice.

The summons and complaint are available permanently at
