

PROPOSAL BY:

Mister Hype

PROPOSAL NAME:

Expansion of ApeChain Presence in Key Asian Events

PROPOSAL CATEGORY:

Ecosystem Fund Allocation

TEAM DESCRIPTION:

I am Mr. Hype (Lead Organizer)

, an enthusiastic member of the ApeCoin community dedicated to fostering inclusivity and driving community growth. Within the ApeCoin DAO, I actively contribute by streamlining proposals and integrating valuable feedback to ensure optimal success, and the lead author of [AIP-259: Language and Market Focus for ApeCoin DAO in 2024-2025](#), [AIP-315: Ape Strategy Steering Committee](#) and [AIP-291: ApeCoin DAO Brand Guidelines](#), lead with Animoca Brands [AIP-329: Official ApeCoin DAO Booth at Animoca Brands Event](#) and self-funded ApeCoin DAO Mascot at Elite-Moca Cruise Party. My professional expertise lies in establishing and expanding early-stage media and technology ventures. With a solid background in law, I have accumulated five years of experience providing legal counsel in infrastructure sectors, including green energy, water, communications (5G), and natural gas. Notably, I served as a legal advisor for The Quarry Rehabilitation Fund, overseeing multimillion-dollar valuation executions, shaping long-term policies, and actively collaborating with the public sector to ensure democratic laws and implementation strategies.

About the web3 landscape, I have dedicated the past three years full-time to web3 endeavors. As CEO of an NFT investment DAO, I meticulously analyze market trends and possess in-depth insights into blockchain technology from a programming standpoint.

My educational qualifications include an LL.B and B.A. from Reichman University, specializing in Finances and Risk Management. Presently, I take pride in my role as the creator of The Pixelated Apes and the visionary founder of PixeLabs DAO.

In short, The Diamond Handed Zombie

The team will provide the option for stewards and special council members who possess in-depth knowledge of the ApeCoin DAO and its processes to opt-in to participation. Additionally, we will enlist community members who bring forth a background in conference management, events and sales ensuring our seamless integration into the event landscape. Moreover, community members with an understanding of Asian culture will be integral to our team, facilitating culturally resonant engagement with our target audience. Furthermore, the team will collaborate closely with the Arbitrum Foundation and Horizen Labs to operate ApeChain, as we plan to include with the WebX booth effectively.

This proposal seeks to extend the success of [ApeCoin's participation in WebX2024](#) by strategically leveraging our presence in the Asian blockchain market. Building upon the WebX sponsorship, we aim to enhance the visibility and adoption of ApeChain within the Asian blockchain communities through a comprehensive series of events, including IVS Crypto, Korea Blockchain Week, Token2049 Singapore, DAOTOKYO, ETH TOKYO. These events will serve as pivotal platforms for showcasing ApeCoin's innovations and fostering connections within the regional blockchain ecosystem.
