

Ladies and gentlemen,

I stand before you today with an exciting proposition that could elevate our brand and community engagement to new heights – the adoption of the “Banana Bucks” within our brand new Clubhouse IRL.

Why Ape Podcast?

Community Connection: The ApeCoin community is the heart and soul of our brand. By hosting the Ape Podcast within our Clubhouse, we’ll create a unique space where our community members can interact with each other and prominent figures in the crypto world. It’s a golden opportunity to strengthen our bonds.

Educational Hub: Podcasts are an incredible medium for learning. By featuring discussions on ApeCoin, crypto trends, and blockchain technology, we not only entertain but also educate our audience. This aligns perfectly with our commitment to empowering our community with knowledge.

Thought Leadership: We have some of the brightest minds in the crypto industry among our community members. The Ape Podcast will serve as a platform for our experts to share their insights, establishing us as thought leaders in the field.

Global Reach: Podcasts have a global reach. Our discussions will transcend geographical boundaries, attracting crypto enthusiasts from all corners of the world. This is our chance to showcase ApeCoin on an international stage.

Brand Building: By hosting Banana Bucks, we solidify our commitment to transparency, education, and community engagement. It’s not just about coins; it’s about a movement, and this podcast will reinforce our brand values.

The Clubhouse Advantage

Our brand new Clubhouse IRL is the ideal venue for this endeavor. It provides an intimate, real-world setting for podcast recordings, live discussions, and networking. It will be the physical embodiment of the ApeCoin community, where our online presence comes to life.

Imagine hosting live podcast recordings, bringing crypto experts and enthusiasts together for stimulating conversations, and offering an unparalleled immersive experience for our community. This is a step towards making ApeCoin not just a cryptocurrency but a dynamic community of thinkers and doers.

I urge you to consider adopting the “Banana Bucks” within our Clubhouse IRL. It’s an opportunity to create something truly exceptional, uniting our community in the real world while expanding our influence in the crypto space.

Together, we can turn this vision into reality, solidifying ApeCoin’s place at the forefront of the crypto world. Let’s make the Ape Podcast a symbol of innovation, education, and community, reflecting the essence of ApeCoin itself.

Thank you for your consideration. Let’s take this exciting step forward together.
