

**PROPOSAL NAME:**

Enable AIP Voting During Elections

**PROPOSAL CATEGORY:**

Process

**ABSTRACT:**

[AIP-138](#) established the following during elections:

[AIP-138: The Special Council Election Process](#)

No other AIPs will go up for vote at this Weekly AIP Release, and all approved AIPs for vote will be released at the following Weekly AIP Release.

This proposal would remove this requirement, thus enabling any AIP ready for vote during this (and any) period to be posted regardless of election cadence.

**BENEFIT TO APECOIN ECOSYSTEM:**

Equality

: Each author deserves the opportunity to have their proposal put up for vote when ready. AIP voting need not be purposefully delayed due to election season.

**STEPS TO IMPLEMENT & TIMELINE:**

Upon approval, any AIPs ready to go to vote during any previously restricted time period will have the opportunity to be put to vote.
