

ApeCoin Community,

We're running a special office hour session on Friday, September 9th at 9.30am ET. Special Council member Maaria Bajwa will join Brandon Caruana to discuss plans for our first elections and brainstorm ideas with the community.

To sign up, all you have to do is reply to this post (the content of your message does not matter). The first 20 eligible community members to respond will be invited to participate.

To be eligible, your account must have Trust Level 1 - Basic. You can increase your account's trust level by regularly visiting and engaging with Discourse. Read more about Discourse trust levels [here](#).

A moderator will reply to confirm the 20 community members who will be invited. If you are invited, you will be DM'ed information to join the call.

If you join the call, feel free to be on video or audio only. These sessions are meant to be productive conversations on the DAO, so please be respectful to your fellow community members and the moderators by giving others space to speak and following the same guidelines for conversations on the Discourse.

Yours Apefully,

bc.
