

(Yup, I just said Aasset.)

Hey folks! Just wondering if we could gauge community interest on whether or not UNI should be listed on Aave, and when.

## Should UNI Be Listed on Aave?

- Yes, UNI should be listed now.
- Yes, but after a period of price discovery.
- No, doing so would discourage active participation in UNI governance.
- No, it wouldn't be a good fit.

Interested in gauging your interest folks! (Also, pools are cool!)

Thanks,
