

The purpose of this topic is to evolve into a central point of discussion and reference for Lido policies & procedures with respect to Node Operators, including but not limited to:

Area

Documents / Links

Node Operator Applications and Onboarding

[Validator Admission Process](#)

[Lido Node Operator landing page](#)

Node Operator Guidelines and Rules

TBD

Node Operator Performance Monitoring, Assessment, and Governance

TBD

...

...

The input of all parties is welcome as these concepts are explored and solidified into more formal policies and procedures.
