

Date:

14.03.24

Time:

3pm CET

Reading materials:

- [Fully Homomorphic Encryption Using Ideal Lattices \(skip through the subsection 3.3 to the end\)](#)

After a short break, we are finally wrapping up the Gentry's paper! We will talk a bit about lattices and review the paper. Note that the meeting time has changed from 4pm to 3pm CET. See you soon!
