

This following is being presented as an AIP Idea.

Otherside Otherdeed Acquisition—APECoin DAO Land

To acquire a centrally located Otherdeed property which will serve as the hub and main virtual venue for APECoin's future events, promotions, communications and educational outreach. But most importantly, it will be a place to experience what it means to be an APECoin holder. A unique one of a kind virtual hub and experience. Powerful incentive to own and hold our coin.

In a post-Covid world, people are yearning for and want to Experience being connected and experience being part of a vibrant and fun community. Case in point, Bored Ape Yacht Club

. An NFT Membership Access Pass creates an incentive to not only hold APECoin but to part of a exciting active community.

Treasury Asset Diversification by building NFT portfolio.

Fortuitous timing of purchase, floor price is down 36% to 2.04 ETH ([Cryptoslam stat recaps])[Otherdeed NFT tracker, sales volume, floor values, price charts, rarity](#)).

Acquire at least one Otherside Otherdeed parcel. The build can be done by Improbable so that it is integrated and we'd ask them to showcase our DAO Land in future trailers.

Steps To Implement

Negotiate and acquire Otherdeed

Create a subgroup working committee

Establish social media presence

Create press kits

Funding TBD

Looking forward having 'a stake in the ground' so speak that creates a very real, albeit, virtual focal point for our mission execution.

I've heard it said, that 'you can't fork a community' but I bet we can integrate into one! What do you say??
