

Voxels ApeCoin Unofficial Dao parcel

Firstly, thank you for those who voted for my ThankApe Prop House proposal. It came in second with 328 votes out of a total of 39 proposals in the “ApeCoin Futurists: Ape In to the Future” category.

**Secondly, this is a call for you to reply in this topic with content or links to content to be considered to be included into the parcel.**

It will serve the purpose of Educating people about ApeCoin and also have space to show a virtual gallery, inspired by ApeCoin. The location can include various materials such as info about AIPs, past and future meetups both IRL and in the metaverse.

Voxels has an eclectic mix of early adopters in the culture of web3 who will learn and engage about APE and the ApeCoin DAO.

We will also be able to meet there and chat in text or on audio discussions.
