

Gloop Grant Bi-Weekly Update

Date: July 8th 2024

I. Executive Summary:

- a) Roadmap Progress: Finished initial pass on audit, making a few final tweaks before concluding
- b) Milestone/KPI Achievements: Fixed 85% of issues addressed in audit
- c) Dune Dashboards: As protocol isn't fully live yet, no dashboards have yet been created.

II. Current Progress:

Audit nearing conclusion, launch plans being designed.

III. Community Engagement:

Gloop brought on another contributor to be the head of social media (x/discord etc) and will start posting upon further milestones being reached.

IV. Partnerships and Collaborations:

Gloop is working with halborn on an audit. Also want to give a shoutout to Kikidev for being an extremely nice and helpful person. Additionally gloop's contributors are looking for lenders to bootstrap liq on day one, if anyone would like to step in pls message us
