

Explorers

Blockchain explorers allow users to view transactions, blocks, and other network activities. Here are the main explorers for Sei:

- SeiTrace
- : A comprehensive explorer for tracking transactions and activities on the Sei blockchain.
- [SeiTrace\(opens in a new tab\)](#)
- SeiScan
- : Provides detailed views of the Sei mainnet and testnets.
- [Pacific-1 \(Mainnet\)\(opens in a new tab\)](#)
- [Atlantic-2 \(Testnet\)\(opens in a new tab\)](#)
