

This forum post is the official record of Aligned Delegate compensation for June 2023.

Changes for June

Following the passage of MIP102c2-SP8 there has been a reduction in the number of Prime Delegates and Reserve Delegates to 5 in each category. However, per [The Atlas](#), these changes require 1 month notice so will be applied for compensation purposes from next month.

Prime Delegates Throughout the Month

The following ADs spent the entire month as PDs:

- 0xDefensor
- BONAPUBLICA
- QGov
- TRUE NAME
- UPMaker
- vigilant

The final PD slot changed hands several times during the month. Remember, to become a PD, an AD must gain 2x the amount of delegated MKR compared to the lowest ranked PD.

- WBC from 2023-06-01 to 2023-06-12 (12 days) - note there was 1 day in this range where WBC was ranked 8th by amount of MKR but the 7th ranked AD did not 2x WBC's voting power.
- JAG from 2023-06-13 to 2023-06-19 (7 days)
- PALC from 2023-06-20 to 2023-06-25 (6 days)
- Navigator from 2023-06-26 to 2023-06-30 (5 days)

PDs at Start of July

Note the following 5 ADs will be the PDs at the start of July:

- 0xdefensor
- BONAPUBLICA
- QGov
- TRUE NAME
- vigilant

June Payment Amounts

The following table shows the AD payment amounts and destination addresses for this month. Remember that if an ADs Buffer is not full, any compensation goes to filling this before payments are made, further updates on the Buffers may be found below.

AD Buffer Updates

The following table displays the payment amounts to each delegate for this month and their AD Buffer status at the end of the month. Note that while the implementation is manual, Max AD Buffer size will be scaled based on the amount of time they have spent as PD/RD for the month. There are potential griefing attacks if this method is not used.
