Specification

This MIP102c2 Subproposal does not seek to amend Article 1 of a Scope Bounded Mutable Alignment Artifact. It is thus considered a General Edit. An MIP102c2 General Edit cannot modify Article 1 elements.

Motivation

This subproposal will amend MIP113 Section 5.2, to include a new procedure to allow AVC members to relinquish their role.

Amended MIPs and Components

- MIP 113 Section 5
- 5.2: Aligned Voter Committee Member Recognition
- 5.2: Aligned Voter Committee Member Recognition

MODIFICATIONS TO BE IMPLEMENTED:

5.2: Aligned Voter Committee Member Recognition

5.2.1

To become recognized as an Unaffiliated AVC Member, an Ecosystem Actor must post a recognition submission message publicly on the Maker Governance Forum, as described 5.2.1.1, 5.2.1.2, 5.2.1.3 and 5.2.1.4.

A recognized AVC member can lose their recognized role by either failing to fulfill the requirements, as described in 5.2.4.4, or by submitting a written relinquishment as described in 5.2.1.5.

5.2.1.1

A recognition submission message must be cryptographically signed by an Ethereum address containing at least 1 MKR, or that has delegated at least 1 MKR.

5.2.1.2

The cryptographically signed AVC Member Recognition Message must contain the information specified in 5.2.1.2.1 and 5.4.1.2.2. The information specified in 5.2.1.2.3 and 5.2.1.2.4 is optional.

5.2.1.2.1

The following text must be included: "AVC Member Recognition".

5.2.1.2.2

A timestamp recording the time and date that the message was signed.

5.2.1.2.3

The desired name of the AVC Member.

5.2.1.2.4

The AVC that the AVC Member wishes to join, if applicable.

5.2.1.3

A recognition submission message must use the format described in 5.2.1.4

5.2.1.4

Title: AVC Member Recognition submission AVC member recognition submission [Ethereum address] [Cryptographically signed AVC Member Recognition Message]5.2.1.5

An AVC member may voluntarily relinquish their recognized status at any time by submitting a cryptographically signed message. This message must include a timestamp indicating the time and date of signing, and should be formatted as follows:

Title: AVC Member Relinquishment request AVC member Relinquishment request [Ethereum address] [Cryptographically signed AVC Member Recognition Message]

Once the message's authenticity is confirmed, the AVC member should no longer be considered recognized.

Additionally, if the applicant explicitly requests in their signed message, their nickname, Ethereum address, and all references to their past affiliation with any AVC must be promptly removed from the text of MIP113.
