

AIP Name:

[AIP-373: Boring Security - Runnin' It Back](#)

Implementation Status:

Pending

Author:

[@Feld](#)

Abstract Summary:

Boring Security is seeking \$239,000 for FY24. We are seeking funds to deploy into a Uniswap V3 Liquidity Pool where Boring Security DAO can take structured withdrawals from yield generated month over month to cover its operating expenses not covered by partnership income and other grants.

Overall Cost:

\$239,000 USD, denominated in ApeCoin
