

The Arbitrum DAO is on Fire! If you missed our [Friday wrap up](#) head back to the forum to catch the summary of results. Alpha leak: it has lots of big numbers.

What's happening this week?

This week we invite you to participate in four challenges to shape ArbitrumDAO's strategic framework and two grant-related opportunities.

1. if you have not signed up for GovMonth rewards - do that now at <https://thankarb.com/>
2. Vote for your favorite JokeRace submissions from last week's mission, vision, values, and and long term priorities: 16,000 ARB is up for grabs
3. Ethelo - deeper dive on values & sentiment: 10,000 ARB
4. Push Protocol - leaning into web3 native communications: 5,000 ARB
5. Vote on snapshot for the [Questbook Domain Allocators](#) 10,000 ARB
6. Arbitrum on [Gitcoin Grant Funding Fest!](#) 100K ARB up for grantees!

All of these challenges will be listed at thankarb.com, and all of them will be loaded fresh every Tuesday. Aside from the challenges, here are the GovMonth happenings during the week

- Tuesday: New [Thankarb.com](https://thankarb.com/) challenges will be loaded!
- Tuesday: Bi-weekly delegates workshop meeting: [Governance Calendar](#)
- Wednesday: QuestBook domain allocator vote closes on [snapshot](#)
- Wednesday: TwitterSpace hosted by [ArbitrumNewsDAO](#) w/JokeRace and Gitcoin
- Thursday-ish: GitCoin kick off hosted by [Arbitrum Foundation](#) 12:00 EST

In Closing:

This week is going to be as exciting as last, and we look forward to it. Make sure you don't miss a thing by:
