

Staking on Celestia

Engage with the Celestia network at a deeper level through staking. An essential mechanism to a proof-of-stake network, users can secure the network by delegating to a validator and receive a share of its staking rewards.

Mainnet Beta

Currently, the following staking interfaces exist for the [Mainnet Beta](#) .

Just connect your wallet to get started!

- <https://wallet.keplr.app/chains/celestia?tab=staking>
- <https://cosmos.leapwallet.io/transact/stake/plain?chain=celestia>
- <https://alphab.ai/s/m/celestia/>

Mocha testnet

Currently, the following staking interfaces exist for the [Mocha testnet](#) .

Just connect your wallet to get started!
