

Pre-mining Event

To celebrate the launchpad release in partnership with Velocore, we're hosting a pre-mining event for users of both protocols. The ReactorFusion pre-mining event details are as follows: * Date: * Apr 23, 3 PM UTC - Apr 24, 3 PM UTC (24h) * Pre-mining Pool: * 250,000 RF (125,000 RF for ETH, 125,000 RF for USDC) * How to participate: * Utilize supply and borrow assets on RF * Reward claim: * 1 week after the presale ends During the event period, suppliers and borrowers of both ETH and USDC will receive RF emissions from the allocated pre-mining pool. Claims will be available 1 week after the end of the presale. [Launch Details - Previous Public Presale](#)[Next - Tokenomics Distribution](#) Last modified 10mo ago
