Nomination Statement

I believe I can represent our Bored Ape community as a whole. I am able to dedicate myself to this endeavor full time with a devoted belief to this project and Web3. I'm confident this equals success.

Motivation

I am energized to be a part of BAYC growth and success, as well as, being a better ape.

Rationale

I have customer service skills, political polling, and operations experience.

Specifications

One of our most important goals needs to be communication with base.

Concluding Statement

I am the best choice for council because I represent every ape and will consider all avenues before making timely decisions.
