## [ARFC] Orbit Program Renewal - Q4 2024

**Author: ACI (Aave Chan Initiative)** 

Date: 2024-12-06

### Summary

Proposing the renewal of the Orbit program for recognized delegates, compensating them with GHO, associated with their governance activity during Q4 2024 ( From 2024-08-31 to 2024-12-14).

#### **Motivation**

Orbit recognizes the added value of the Delegates in the decentralization & diversity of the Aave DAO. This compensation allows them to focus on Aave and keep their contribution efforts to our governance. The ACI proposes the extension of Orbit for a new quarter, Q4 2024, from 2024-08-31 to 2024-12-14.

#### Additional considerations:

As a reminder, Service Providers will not be considered elegible to Orbit Program.

A new vote rate will apply, starting next Orbit Renewal, where a minimum of 20k voting power and 85% vote ratio on all Snapshots and AIP will be considered in order to be elegible to Orbit Program.

# **Next Steps**

- 1. Gather community feedback on this ARFC.
- 2. If consensus is achieved, escalate this proposal to the ARFC snapshot stage.
- 3. If the ARFC snapshot outcome is YAE, proceed to the AIP stage for implementation and funding allocation in cooperation with Aave Finance service providers via an ad-hoc AIP vote or bundled in one of their treasury management AIPs.

### **Disclosure**

The ACI is independent and has not received any form of compensation from related parties for the drafting of this proposal.
