Now I see I am not the only person this has happened too. he's closed out and I can't contact him Wilf??? how many people lost???

MATH wallet is the worst! no support = no nothing

Here's my coins lost in no mans land: still holding the fort down for SCRT after they kept everything???

Either Math wallett hijacked or some kind of glitch in the system...

Why is Math wallet not working with SCRT after they took all ENG

This seems like it was done by design???
